Hi Andrea,

As a follow-up to our meeting this morning attached is our current list of site assignments. While the sites don't change hands real often the activity level does vary from time to time.

I've also attached the Community Involvement toolkit pertaining to Information Repositories. You had asked if there's a check off list we use. While it's not a check off list it does include a list as a guide of what to consider to include in the IR.

Thanks, Libby
